READING PROGRAM CONCLUDES

The Kindergarten Reading program concluded Tuesday May 11. Smiles and thanks were abundant, as nearly 100 kindergarten students received a book with his or her name in it. The books are a way to encourage the students to continue to read throughout the summer. All Kindergarten teachers from Tecumseh North and Tecumseh South have been very supportive of the reading program, and welcomed us into their classes. Eight club members participated in the reading project giving over 100 hours of service in 8 months. Thank you to all who participated in this very rewarding and successful project.

Mrs. Orr and class at Tecumseh South Elementary School

Mr. Garnand and class at Tecumseh North Elementary School.

HIGHWAY 40 CLEAN UP IS MANY THINGS

April 10, nine club members picked up trash along 3 miles of Highway 40. The clean up was part of Kiwanis One Day, a worldwide day of service of Kiwanis International. The highway clean up also commemorates the 20th anniversary of the Adopt-A-Highway program. Larry Katsbulas, from the Kansas Department of Transportation, photographed our clean up efforts. Photos will be used in a power point presentation to promote the Adopt-A-Highway program state wide. After the clean up donuts and coffee were enjoyed by all. Cindy Cooper, Georgia Sirridge, Diana Halstead Mary Ertl, Mike Sullivan, Larry McCammon, Dewey Mohler, Ken Ertl, and Tom Sirridge participated in the project.
