SERVICE HOURS

Our club members are very giving of their time and talents to help in the community. In just two months, club members have given 150 hours of service to various projects. This is a great start to our new Kiwanis year. Our club goal, set by President Ken and the board is 1,000 hours of service for 2007-2008. Remember to record your service hours weekly, and keep up the good works.
