SHHS KEY CLUB RECEIVES TROPHY

Brittany Poston, Rhea Richardson, and Becca Sims represented the Shawnee Heights Key Club at the 57th annual Kansas District Key Club Convention held in Junction City, Kansas, March 23-25, 2007. 278 were in attendance including Key Clubbers and sponsors. Workshops for the weekend included social interaction, organizational skills, effective communication, club leadership, growing clubs, fundraising, ideas for service projects as well as leadership training, filling out scholarship applications and transition to college life. **Brittany Poston** was elected the new Lieutenant Governor for Division 11. The club received a third place trophy for Single Service Award. SHHS Key Club raised \$1872, adopted 14 people at Christmas, and gave \$400 to help Goodyear families. If you've ever wondered where all the "good kids" are these days, attend a Key Club meeting and you'll find them. Attend a Key Club Convention and you'll be surrounded by them. These young people are well on their way to a successful life, thanks in part to Key Club.
