2015-2016 Banner Year for Tecumseh Kiwanis

We inducted 9 new members. We gave 1935 hours of community service through our many programs and projects. We raised over \$107,000 to build a new shelter in Tecumseh Community Park. We sponsored the monthly Tecumseh Community Dinner thru which we've served an average of 150 community members per month. We had an attendance of over 800 people at the annual Tecumseh Heritage Day festival. Thanks to everyone for making this an exceptional year. Tecumseh Kiwanis members truly are improving the world one child and one community at a time.

Newest Member Installed

Debbie Mohler Barr became our first new club member of the 2016-2017 Kiwanis year. Debbie recently moved from Colorado Springs, CO. to Tecumseh where she was born and raised. Debbie is the sister of President Diana Halstead and the daughter of charter member Dewey Mohler. Debbie has been serving at the monthly community dinners, and participated in Tecumseh Heritage Day this year. We are pleased to welcome Debbie as an official member of the Kiwanis Club of Tecumseh and look forward to serving with her.
