UPCOMING EVENTS

March 21st, 9:00 AM Tecumseh North—cleanup day. Bring any tools you think would be helpful

April 12 is Tecumseh's 45th Anniversary.

April 19—don't miss this program. Cindy Evans with the Shawnee County Extension office will speak about radon gas. Elaine just had one room tested and it was more than double the recommended level. Abatement here we come.

KTWU PLEDGE DRIVE Once again, Kiwanians were “in the news” as several club members volunteered for KTWU annual pledge drive Tuesday, March 7th. Not only did it help KTWU, but as we all know, if you're in the news, you get to spin, raising monies for the club. Is this Mary's double or is she leading a double life??

FAREWELLS???

Best wishes go out to Mert Wilch as he and Ruth settle in their new home at Aldersgate. Mert will be absent the month of March but promises he will return in April.

As of April 1st, Sally and Chuck Wright are transferring to the Lawrence Noon Kiwanis Club where their daughter is a member. This isn't an April Fool's joke is it, Chuck? They promise to come back for a visit.

TECUMSEH NORTH READING PROGRAM

Members continue to read to kindergarten students at Tecumseh North. Books will be presented to the students at the end of the school year.
